

To : All FASTRON Customer

Date: 03 March 2016

---

PCN No: **000116**

**Concerning Part Name** : Chip Inductors Series for 0402, 0603, 0805, 1008 and 1206

**Product Type** : Chip Inductor

**Classification of Change** : Packaging

**Description of Change** : Standard Packing Quantity for mini reels (08 version) from 2K to 1K

**Reason of Change** : To optimize the component quantities per reel for prototype production runs and for catalog distributors

**Expected Influence** : Not influence on component dimension and electrical parameters

**Product Identification** : Not Applicable

**Product Availability** : Effective from 15<sup>th</sup>. March 2016
