REED SWITCH Product Plastic Reel Change (PCN# 4465)

Dear Valued Customers,

Littelfuse would like to notify you of a change relating to the product plastic reel package.

We will change the supplier of the plastic reel from TEKPAK to UPAK for lead time improvement. There will be no change on the current minimum packing quantity, delivery quantity, reel diameter, hub diameter, outer width and inner width of the plastic reel. Qualification report is available upon request.

Please refer the current and new plastic reel photo and the affected part number list below. This new plastic reel will be used from **Jan 5th, 2017**; during this transition period, customers are expected to receive the product with current plastic reel until current inventory in our warehouse and distribution channels are depleted.

H32838 – 32mm inside width
Current Plastic and New Plastic reel photo (H32838)

H220018 – 56mm inside width
