**LF PCN# C0135 Fuseholder Obsolescence Notification**

Dear Valued Customer,  
Littelfuse Inc., as the leading provider of total circuit protection solution with global commitment to providing the highest quality products, would like to notify you that the following products will be made obsolete immediately. Prior notification had been issued. The notifications, Enclosures PCN A0002 and PCN 41116, were postponed as we were able to continue to supply these part numbers on a limited basis. We no longer have the capability to support the old part numbers once the existing stock is depleted, but continue to offer the replacement parts listed below.
